

LKS2 Summer Term Overview

Our learning

This term, we have another busy and exciting topic 'Journey to the Unknown'. We started the term off with our 'Big Bang' where children were given a taster of our first journey- A trip to Antarctica! Over the coming weeks, we will be making our way to the Polar Regions to discover interesting facts on climate, animals and adaptation, people and their way of life and much more. After the half term, we will focus more on explorers, such as Shackleton's Journey. We will link our topic in to Science where we will be learning about states of matter and RE where we will journey through the different religions and learning about the Holy Books. In Literacy, Year 3 will journey to 'Ivan's Land' and explore the story of 'The Ice Palace' and Year 4 will venture across the city to find Varjak and his friends create a new story based on one of their journeys to the unknown.

ARTICLE 24: Every child has the right to the best possible health care, safe water to drink, nutritious food, a clean and safe environment and information to help them stay well.

Our focus right this term is
Article 24

The Summer term is always a busy one with lots of exciting activities for the children to experience. This term we are taking part in the following:

- 2 weeks swimming at the Olympic Pool
- Attending the World Para Athletic Championships
- Fruit Farm Trip
- Sports Day

and much, much more!
More details will follow.

How you can help:

- Make sure your child brings in their **book bag** every day with their reading book and journal
- PE kits need to be in school every day. PE is Monday and Wednesday
- Enjoy completing the **whole school homework projects** - details of these will be in the Chisenhale Chatter
- Listen to your child read
- Practise **mental maths skills**, including enjoying playing on Sum dog and learning the time
- Talk to your child about their day
- Visit **free museums and libraries** - our school library is open after school on Tuesdays.
- Look at your child's work on Frog
